

ANCHORLIFT™ Technic

Anchorlift CX Anchor High Holding Power Low Weight

Our *NEW Claw X (CX)* anchor is based on the famous Bruce anchor, which was originally made for oil rigs in the North Sea.

Sets fast and secure to almost any bottom conditions. Made in one piece.

Available in stainless steel AISI 316L. **Made in Europe.**

CX anchor are not casted but made of stainless steel 316L plates for best corrosion protection and strenght. Wing is 25% larger on CX anchors than on the corresponding Bruce size for best possible holding power.

Available in Size **CX6 - CX8 - CX10 - CX15 - CX20 - CX30 - CX40 - CX50 - CX80**
